Charter Oak Country Club ■ 394 Chestnut St., Hudson, MA ■ www.charteroakcc.com ■ 978.562.0800 x606

Charter Oak Country Club was designed by Robert Trent Jones, Jr. He has designed or remodeled more than 200 award-winning golf courses around the world and has been called "the father of modern environmental golf course architecture." The Jones name is unrivaled among golf course architects, showcased around the world with more than 200 courses in 38 countries on six continents.

"We use our vision to reveal and sculpt the course inherent in each site so golfers can enjoy the challenges and wonders of the game." -Robert Trent Jones, Jr.

Mr. Jones Jr. used over 215 acres of land to carve out a Championship golf course that will challenge the more accomplished player while allowing a higher handicap player a more user friendly course. Charter Oak has the honor of being listed as one of the top 20 private courses in this area. We have had the privilege of hosting PGA Professionals such as Nick Price and Fred Funk in prior Corporate Events.

Charter Oak has a large selection of merchandise. All merchandise can be customized with your logo or outing information. Our elegant Grand Ballroom holds up to 300 guests. Arrangements can be made for any specialty evening such as an auction, show, or entertainment. Charter Oak offers an Olympic size swimming pool, children's play area, "kiddie pool", three tennis courts and a fitness room besides the challenging 18-hole golf course, for those wishing to have a total Country Club experience.

Enjoy your day while Charter Oak handles all the details of your special event.
